Step By-Step Procedure for Fall 2008 Priority Registration

Students who Priority Register and wish not to attend must withdraw their schedule by completing the appropriate form in the Office of the Registrar. Failure to complete the necessary paperwork will result in the assigning of the grade of "F" to each pre-registered course and the billing of the appropriate tuition and fees.

Student Process for IQ Web Online Registration

Beginning the Online Registration Process

- 3) Choose **GO** next to the preferred "Year/Term." This will bring you to the "Course Search" screen

You may search for courses using the following options:

- 1) To search for all course offerings, leave all fields blank or on default settings. Choose **SEARCH**.
- 2) Search for course by typing the department abbreviation (ex., ENG for English courses, BIO for biology, PHI for philosophy, etc.). This search will show all course offerings in that department.

- 5) Search for course by using the department pull-down menu. This search will show all course offerings in that department.

Choosing Courses

- 1) Check the **ADD TO CART** box to add a class to your schedule. As you choose a course, a pop-up window will appear with all courses chosen.

- 5) Once you have received a response, advisor approved courses will appear under "Current Schedule." Advisor declined courses will appear under "Shopping Cart." Your advisor may decline courses for a variety of reasons. If courses have been declined, choose **VIEW ADVISOR APPROVAL DETAILS** to view advisor comments. If your advisor is requesting to meet with you, please make those arrangements as soon as possible.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT POLICY (FERPA)

Currently enrolled students may request the College withhold disclosure of any category of information under the act by requesting, in writing, their personal information not be disclosed. Forms for requesting the withholding of "Directory Information" are available in the Office of the Registrar. This form must be renewed after every term registration.

In certain other situations, a student's consent is not required to disclose the educational information:

1. to school officials who have 'legitimate educational interests'
2. to schools in which a student seeks to enroll
3. Federal, State, and local authorities involving in audit or evaluation of compliance with education programs

Requests to disclose educational information will always be handled with caution and approached on a case-by-case basis.

Students who believe their education records contain information that is inaccurate or misleading or is otherwise in violation of their privacy should discuss their problems informally with the person in charge of the records

involved. If the problems cannot be resolved, the student may request a formal hearing by the Registrar. The request must be made in writing to the Registrar who, within seven days after receiving the request, will inform the student of the date, place and time of the hearing. Students may present evidence relevant to the issues raised. The hearing officer who will adjudicate such challenges will be the Registrar, or a person designated by the Registrar who does not have a direct interest in the outcome of the hearing. The educational records will be corrected or amended in accordance with the decisions of the hearing officer, if the decisions are in favor of the student. 2008 FALL SEMESTER

August 23 to December 12, 2008

INFORMATION FOR CURRENTLY ENROLLED STUDENTS

Students who Priority Register and wish not to attend must withdraw their schedule by completing the appropriate form in the Office of the Registrar. Failure to complete the necessary paperwork will result in the assigning of the grade of "F" to each Priority Registered course and the billing of the appropriate tuition and fees.

FAILURE TO ATTEND CLASSES DOES NOT CONSTITUTE A WITHDRAWAL.

1. Only unconditionally admitted, currently enrolled students are permitted to Priority Register. For Priority Registration assistance and advice, the student may make an appointment with his/her advisor between March 10 and April 25, 2008. Appointments are made by signing up on the advisor's posted appointment sheets. Please do not telephone for an appointment. The registration period extends for seven weeks; however, due to advisors' assigned responsibilities, they may define, within this time period, individual advising schedule. Therefore, students should schedule appointments within their advisor's posted time, or by mutual arrangement. If a student has a time conflict with the advisor's posted times she/he should email their advisor to arrange an alternate advising time.
2. Currently enrolled students who do not Priority Register can register during the regular registration period, August 19-20, 2008 from 9:00 a.m.-12 noon and 3:00-6:00 p.m.
3. Currently enrolled students requesting financial aid information for the first time must obtain a packet directly from the Enrollment Services Office. To be eligible for financial aid, a student must be enrolled as "degree-seeking" and registered for at least **six (6) semester hours**. Students who accept financial aid for two courses and drop one of the courses are not eligible for financial aid and must assume the full responsibility for all tuition and fees. This is for both undergraduate and graduate students. Application for students requesting financial assistance to cover tuition and fees is not complete until all required forms and documentation are completed, signed, and returned to the Enrollment Services Office. All processed material must be returned to the Enrollment Services Office prior to

August 10, 2008 to be eligible for the first disbursement of the Fall 2008 semester. The number and amounts of awards are based on the availability of funds. Every effort will be made to have all eligible funds available at registration for those students who meet the priority deadline. Ineligible students will be notified in time so that they may make alternative financial arrangements. Students who have applied for financial aid prior to the fall semester should come to the Enrollment Services Office to pick up their estimate sheets before going to the Bursar to finalize their registration. Students must have their bills with them at this time. **Balances not paid by 4:30 p.m. on Thursday, August 21, 2008 will result in cancellation of the registration. There is a \$100 non-refundable "post-purge re-registration" fee for students whose registrations are cancelled. If a student's schedule is cancelled on Friday, August 22, 2008 for non-payment of tuition or failure to turn in a financial aid estimate sheet to the Bursar, there is no guarantee that the student's schedule will be available during the Post-Purge Re-Registration Period.**

All financial obligations must be met by 4:30 p.m. on August 21, 2008. Students who do not complete the financial aid process and/or pay their outstanding balances will have their registration canceled and all scheduled courses deleted. **All aid recipients must be enrolled for at least six (6) semester hours as a degree seeking student to receive financial aid.**

4. Priority Registered students requesting financial aid for the first time, who meet the priority deadline, will be mailed an award letter. Failure to return the award letter within ten days and submit a financial aid estimate sheet, will result in the cancellation of Priority Registration unless payment arrangements have been completed for **full** tuition charges by **4:30 p.m.** on Thursday, August 21, 2008. **There will be a \$100.00 non-refundable "post-purge registration fee" for students whose registrations were canceled. For students whose schedules were deleted, there is no guarantee their original registration will be available.**
5. Bills for Fall 08 tuition and fees will be mailed on July 15, 2008 and must be paid by **4:30 p.m.** on Thursday, August 21, 2008. **Failure to pay the bill by that date will result in the cancellation of the Priority Registration.** This is the only bill Priority Registered students will receive. Tuition and fees not covered by aid must be paid by 4:30 p.m. on Thursday, August 21, 2008.
6. Priority Registered students who must make schedule changes (drops, adds, Section changes, changes in Developmental Studies status, etc.) may do so on campus or online during August 25-28, 2008. Changes will be made from 9:00 a.m. - 5:00 p.m. Because advisors are not always available during these times, students assume full responsibility for all changes. **Schedule changes will not be processed during the regular registration period.**
