Information Related to Summer 2008 Priority Registration

March 10 – April 25 Advising and Priority Registration for currently enrolled students

Many courses have controlled or limited enrollment. It is to the advantage of the student to register during the Priority Registration. All financial obligations must be met by the timelines explained in this bulletin. The registration of those who fail to meet the timelines and dates or make special arrangements will be cancelled.

Your schedule will be cancelled on May 22, 2008 for one or more of the following reasons:

- Non-Payment of tuition and fees
- Neglecting to email the Bursar to accept your aid at ndesoto@ohlcc.edu

There is a \$100.00 non-refundable "POST-PURGE RE-REGISTRATION" fee for students whose registrations are cancelled. Courses are not guaranteed to be available during the Post-Purge Re-Registration Period.

Step By-Step Procedure for Summer 2008 Priority Registration

Student Process for IQ Web Online Registration

Beginning the Online Registration Process

- 1) Log-in to IQWeb. (If you do not have an IQWeb account, or you are having trouble with your account, please contact the IT Help Desk at 398-2106).
- 2) Choose the **ONLINE REGISTRATION** link located under the "Navigation" heading on the left of the screen.
- 3) Choose **GO** next to the preferred "Year/Term." This will bring you to the "Course Search" screen.

Searching for Courses

You may search for courses using the following options:

- 1) To search for all course offerings, leave all fields blank or on default settings. Choose **SEARCH**.
- 2) Search for course by typing the department abbreviation (ex., ENG for English courses, BIO for biology, PHI for philosophy, etc.). This search will show all course offerings in that department.
- 3) Search for course by typing the department (ex., ENG 101, BIO 351, PHI 101, etc.). This search will show **ONLY** the course requested in the search.
- 4) Search for course by keyword from a course title (ex., math, anatomy, etc.). This search will show all course offerings related to the keyword.
- 5) Search for course by using the department pull-down menu. This search will show all course offerings in that department

Choosing Courses

- 1) Check the **ADD TO CART** box to add a class to your schedule. As you choose a course, a pop-up window will appear with all courses chosen.
- 2) If a course is full, it will indicate **CLOSED** in the schedule. You will not be able to add this course to your cart.
- 3) Once you have chosen all of your courses, choose **BACK TO REGISTRATION**.

Registering Your Courses

- 1) All of the courses you have chosen will appear in the screen.
- 2) Check the box next to each course you would like to schedule.

- 3) Choose **SUBMIT FOR APPROVAL**. The online registration system will not allow you to schedule courses with time conflicts or those for which you do not currently meet the requirements (ex., you haven't yet completed the prerequisite course(s)). Please check your schedule closely prior to submitting it for approval.
- 4) At this point, your schedule will be sent electronically to your advisor for approval. Please check your email and IQWeb accounts frequently to check for a response.
- 5) Once you have received a response, advisor approved courses will appear under "Current Schedule." Advisor declined courses will appear under "Shopping Cart." Your advisor may decline courses for a variety of reasons. If courses have been declined, choose **VIEW ADVISOR APPROVAL DETAILS** to view advisor comments. If your advisor is requesting to meet with you, please make those arrangements as soon as possible.

Dropping & Adding Courses Online

- 1) To drop a class online, choose the check box in the "Drop" column next to the course. The course will be erased from your schedule.
- 2) To add a class online, simply follow the registration process outlined above.

Special Note

Online Priority Registration will take place for a limited time. Please check the narrative and online academic calendar for dates. The entire registration process including advisor approval may take several days. If you choose to register on the final day of online priority registration, you may be required to complete your registration in person on-campus with your advisor should there be any issues with your schedule. If you are unable to resolve these issues by the designated date, you will be required to complete your registration during the on-campus regular registration period.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT POLICY

In accordance with the Family Educational Rights and Privacy Act (FERPA) of 1974, Our Lady of Holy Cross College students may review any official records and data directly related to them that are on file in the administrative offices. The files include identifying data, academic work completed, grades, family background information, disciplinary referrals, references, ratings, and/or observations. Requests to review the aforementioned documents should be made in writing to the Office of the Registrar, 4123 Woodland Drive, New Orleans, LA 70131. The records and files will be made available no later than 45 days from the time the written request is received.

Directory information commonly includes: name, local and permanent address and telephone number, dates of attendance, class standing, previous institution(s) attended, major field of study, awards, honors, degree(s) conferred (including dates), full-time or part-time status, and E-mail address. Currently enrolled students may request the College withhold disclosure of any category of information under the act by requesting, in writing, their personal information not be disclosed. Forms for requesting the withholding of "Directory Information" are available in the Office of the Registrar. This form must be renewed after every term registration.

In certain other situation, a student's consent is not required to disclose the educational information:

1. to school officials who have 'legitimate educational interests'
2. to schools in which a student seeks to enroll
3. Federal, State, and local authorities involving in audit or evaluation of compliance with education programs
4. in connection with financial aid
5. to accrediting organizations
6. to comply with judicial order or subpoena
7. health or safety emergency
8. to the student

A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted as its agent to provide a service instead of using College employees or officials (such as an attorney, auditor or collection agent); a person serving on the board of trustees or a member of the Marianite Congregation leadership; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing her/his tasks.

Requests to disclose educational information will always be handled with caution and approached on a case-by-case basis.

Students who believe their education records contain information that is inaccurate or misleading or is otherwise in violation of their privacy should discuss their problems informally with the person in charge of the records involved. If the problems cannot be resolved, the student may request a formal hearing by the Registrar. The request must be made in writing to the Registrar who, within seven days after receiving the request, will inform the student of the date, place and time of the hearing. Students may present evidence relevant to the issues raised. The hearing officer who will adjudicate such challenges will be the Registrar, or a

person designated by the Registrar who does not have a direct interest in the outcome of the hearing. The educational records will be corrected or amended in accordance with the decisions of the hearing officer, if the decisions are in favor of the student. If the decisions are unsatisfactory to the student, the student may place with the educational records statements concerning the information in the records or statements setting forth any reasons for disagreeing with the decisions of the hearing officer. The statements will be placed in the educational records, maintained as part of the student's records, and released whenever the records in question are disclosed.

INFORMATION FOR CURRENTLY ENROLLED STUDENTS

Students who Priority Register and wish not to attend must withdraw their schedule by completing the appropriate form in the Office of the Registrar. Failure to complete the necessary paperwork will result in the assigning of the grade of "F" to each Priority Registered course and the billing of the appropriate tuition and fees.

FAILURE TO ATTEND CLASSES DOES NOT CONSTITUTE A WITHDRAWAL.

1. Only unconditionally admitted, currently enrolled students are permitted to Priority Register. For those students wishing to meet with an advisor, appointments can be made by signing up on the advisors' posted appointment sheets. Please do not telephone for an appointment. The registration period extends for seven weeks; however, due to the advisor's assigned responsibilities, they may define within this time period, their own advising schedule. It is expected that students schedule appointments within their advisor's posted time, or by mutual arrangement. If a student has a time conflict with the advisor's posted times they should email their advisor to arrange an alternate advising time.
2. Currently enrolled students who do not Priority Register can register during the regular registration period, May 20 - 21, 2008 from 9:00 a.m.-12 noon and 3:00-6:00 p.m. in the Basil Moreau Center.
3. Currently enrolled students requesting financial aid information for the first time must complete the Free Application for Financial Aid at www.FAFSA.ed.gov. To be eligible for financial aid, a student must be enrolled as "degree-seeking" and registered for at least six (6) semester hours. Students who accept financial aid for two courses and drop one of the courses are not eligible for financial aid and must assume the full responsibility for all tuition and fees. This is for both undergraduate and graduate students. Application for students requesting financial assistance to cover tuition and fees is not complete until all required forms and documentation are completed, signed, and returned to Enrollment Services. All processed material must be returned to Enrollment Services as soon as possible. The number and amounts of awards are based on the availability of funds. Every effort will be made to have all eligible funds available at registration for those students who meet the priority deadline. Ineligible students will be notified in time so that they may make alternative financial arrangements. Students who have turned in a signed awards letter prior to the summer semester should email the Bursar ndesoto@olhcc.edu to confirm their accepted aid and finalize their registration.
4. Priority Registered students requesting financial aid for the first time, who meet the priority deadline, will be mailed an award letter. Failure to return the award letter by the priority deadline and email the Bursar at ndesoto@olhcc.edu with confirmation of accepted aid will result in the cancellation of pre-registration unless full tuition charges have been paid by

May 22,2008. There will be a \$100.00 non-refundable "post-purge re-registration fee" for students whose registrations were canceled. If your schedule was canceled, your original registration is not guaranteed to be available.

5. Bills for summer tuition will be mailed on May 6, 2008, and they must be paid by May 22, 2008. This is the only bill Priority Registered students will receive and all financial arrangements must be finalized by 4:30 p.m., May 22, 2008. Failure to do so will result in the cancellation of the pre-registration. Priority Registered students must email the Bursar at ndesoto@ohlcc.edu to accept your aid and/or pay your bill by May 22, 2008 at 4:30pm.

<http://www.olhcc.edu/x518.xml>

FINANCIAL AID

Our Lady of Holy Cross College encourages all students to apply for financial aid. The College provides, through federal, state, and private sources, a variety of financial resources -- scholarships, grants, part-time employment, and loans. Any student who wishes to be considered for aid must first apply for admission to Our Lady of Holy Cross College, then complete the Free Application for Federal Student Aid at www.fafsa.ed.gov. Application information may be obtained from the Office of Enrollment Services or www.olhcc.edu. Applicants must be enrolled for at least 6 semester hours. The 6-hour minimum is for both undergraduate and graduate students.

Priority Deadline: Financial aid is awarded on the availability of funds and according to the needs of the individual. New students who meet the priority deadline of April 1, 2008 for the summer semester can expect to have their aid available for registration. All financial obligations must be met on the day of registration; students who do not complete the financial aid process and/or pay their outstanding balances will have their registration canceled. Priority Registered students who have turned in a signed award letter must email the Bursar at ndesoto@olhcc.edu to confirm their accepted aid and finalize their registration.

Students Not Meeting The Priority Deadline: Students applying for financial aid after the priority deadline may not expect to have their aid available on the day of registration. These students will need to meet all financial obligations with the College in order to complete registration.

PLACEMENT PROCEDURE

All entering freshmen and transfer students who have not had freshman English and mathematics must submit ACT scores along with their application to Our Lady of Holy Cross College. The ACT composite will determine admission status, and the ACT scores in English, mathematics and reading will be used for placement in English, mathematics and reading courses. If ACT scores are not submitted at the time of registration, OLHCC computerized placement tests may be used to determine placement.

All new first time freshmen and transfer students who intend to major in nursing must take the nursing reading placement test (a paper and pencil test), as noted on the semester calendar. This is in addition to the OLHCC computerized reading test.

The computerized Placement Examinations are also used for placement in English, mathematics and reading courses. Placement Examinations are given to transfer students who have never completed college algebra and/or English composition. The computerized reading test is required of all transfer students considered first-time freshman regardless of coursework completed. The examination is also given to freshmen students who have never taken the ACT or have ACT scores older than two years.

Placement Examinations are offered during the semester by appointment only. Contact Dr. Cooper by Email at jcooper@olhcc.edu or call 504.398.2236, to schedule an appointment.

TRANSFER STUDENTS

Students who have successfully completed Developmental English and Developmental Algebra within the current year at another regionally accredited institution may be placed in freshman English and freshman mathematics.
