Record Number of applications for admission

Our Lady of Holy Cross College has achieved a record number of applications for admission to the College. As of August 18, the College has received 1,137 applications for the Fall 2008 semester. This is a new record high, with the previous record being 1,099 for Fall 2007.

Counseling Students

All of the OLHCC graduate counseling students who took the April 2008 National Counseling Exam (NCE), which is used for Licensed Professional Counselor (LPC) licensure in Louisiana, passed the examination.

In addition, the students from OLHCC surpassed the national mean for the exam. The national mean was 100.11. The mean for the OLHCC students was 116.50. There are eight sections to the test (representing the eight courses required by CACREP, the Council for Accreditation of Counseling and Related Education Programs). The OLHCC students scored above the national mean in seven of the sections and at the national mean on the eighth section.

Congratulations to all of the OLHCC graduate counseling students!
