The Our Lady of Holy Cross College Counseling and Training Center (CTC) is happy to provide counseling services for alumni. The center provides the following services:

- τ Career counseling
- τ Marriage and family counseling
- τ Couples counseling
- τ Individual counseling
- τ Child and adolescent counseling
- τ Parent education

In these challenging economic times, we can help alumni explore career options for an initial career choice or for a potential career change as well as provide encouragement and coaching for job seeking, interviews, and negotiating compensation packages. In addition to guided career exploration activities, clients are able to take two online assessments, the *Myers Briggs Type Indicator* and the *Strong Interest Inventory*. The cost is \$15.00 per session and \$25.00 for each online assessment.

For all alumni, the CTC will offer the first counseling session pro bono, as a special recognition of our graduates.
