Message from President

Dear OLHCC College Community:

It is with pleasure that I inform you of great news. We have received the accreditation report letters from both the Southern Association of Colleges and Schools (SACS) and the Council for Accreditation of Counseling and Related Educational Programs (CACREP).

In the SACS letter, the President stated that "The Commission of Colleges reaffirmed (Our Lady of Holy Cross College's) accreditation. No additional report was requested." Our next reaffirmation will take place in 2017.

In the CACREP letter, the President stated that "Based on the Board's review of the report and supporting documentation, a decision was made to extend the accredited status of these programs through October 31, 2014."

These are two great accomplishments. We thank everyone who worked so diligently during the preparation process which resulted in such great success.

This is just another indication that our College community continues to grow in quality and dignity and that our students are assisted in the fulfillment of their dreams.

Respectfully,

Rev. Anthony J. De Conciliis, C.S.C., Ph.D.
