Remote Access to Library Catalog and Electronic Resources

24 Hours/7 Days a Week

To access the catalog and electronic resources, go to the Library home page

<http://www.olhcc.edu/x504.xml>

and choose Research Tools.

Access to some of the electronic resources
is limited to members of the OLHCC community.

When prompted for a password,
use your OLHCC e-mail account user name and password.
(Please type only your user name, not your full e-mail address.)

Note:

After gaining access to **Learning Express**,
users will be asked to create an additional login and password
in order to access the tests and courses within that database.

Troubleshooting

If the browser you are using does not work with the databases,
minimize the screen and use the desktop browser (ex. Internet Explorer).

If you have user name/password problems, call the IT help desk at 398-2106.
